From our Principal

WELCOME BACK! Welcome to 2020! It is an exciting time to move into a new year and a new decade! Staff and students are happy to be back after the winter break and looking forward to a wonderful year. Our first fundraising recycling event of the year was provided by "The Bottle Guys" recycling company. The collection of all bottles will be processed by The Bottle Guys and all funds generated will come back to Talmey PAC. We are so grateful for their services. The next collection will be on **Wednesday, Jan 15**; bins will be placed outside of school.

Talmey PAC meeting will be held on next **Monday, Jan 13**.

Snow School Closure Protocols

As we are now in the winter season, it is important that parents are aware of the District's policy on weather closures, which is included in this newsletter as well as posted on the school's website.

In the event of district-wide school closures due to snow conditions, please note the following:

By 6:30am:

- 1) A closure message will be on the school district website (www.sd38.bc.ca)
- 2) Local radio and television stations will have been notified

Please ensure to check before sending your children to school on a snow day!

If schools are open, and you wish to keep your child home due to weather conditions, you may do so. Please let your school know of this decision. Parents/guardians are responsible for their child's safe travel to and from school.

Staff Announcement

MEET the Teacher

We are very pleased to have **Ms. Jeanelle Aldaba** join our learning community as the teacher of Division 5 for the remainder of the year; as Mrs. Dhillon has now retired from the teaching profession. We are also very pleased to have **Ms. Rachel Lee** join the staff in replacing Mr. Emsley for the remainder of the year as a member of the Resource Team.
