REMINDERS

EXTENDED ABSENCES

DAY OFF

During the year students may be absent from school for an extended period of time. It is district policy that students may only be absent for 4 (four) consecutive weeks and retain their place in the school. After 4 weeks, students will be removed from the school register. Upon returning, students will have to re-register at the school board office.

If we have space, your child will be placed in a class, but not necessarily the class they left. It will take a few days for your child to be placed, so they cannot begin school on the day you return. If Talmey is full, the district will find space in the nearest available school. Teachers do not provide work for students on extended absences.

PARKING LOT SAFETY

The parking gets congested twice a day, and only for a few minutes in the morning and at 2:45pm. However, in consulting with **the RCMP they do remind us all not to double park or block access for cars as you may be dropping or picking up your children.** If there are no parking spaces available, please do not double park! Exit the parking lot and park along the side streets that allow for parking, while abiding by the No Stopping regulations in front of the school, which are being regularly enforced by By-Law Officers and the RCMP. Again, this is for the safety of all members of our learning community. Thank you for your support.

ALLERGY AWARENESS REMINDER

We have students and staff with allergies. If your child is in a class with a student or staff member with an allergy, you will have received a notification from the teacher.
