FROM OUR LEADERSHIP TEAM

Dear Talmev Families,

With just one week left in our 2026-2027 school year, we would like to thank you for supporting your child's learning and our school community over this past year! We have had an eventful year filled with many positive and engaging learning experiences.

We are looking forward to our final two assemblies coming up next week! We will be celebrating our Grade 7 students on Tuesday, June 23rd in the afternoon. We will have our Recognition Assembly for all students on Thursday, June 25th. Students will be recognized for their leadership contributions, their marathon running, and for being Talmev S.T.A.R.S. We will also be saying farewell to our departing staff and thanking our PAC executive for all of their help and support over the past year.

Next Thursday, final learning updates will be posted to the MyEd Parent Portal. Please take some time to connect with your child/children to celebrate their learning successes.

We thank our PAC for gifting yearbooks to all children in our school! Yearbooks will be distributed next week.

Wishing you all a restful and happy weekend,

Ms. Hazon and Ms. Jess

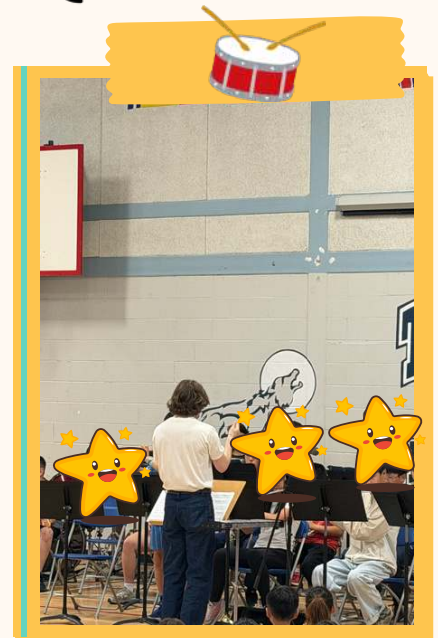

LEARNING HIGHLIGHTS

Talent Show

A special thank you to our student leaders for working with Ms. Singh to put together an informal Talent Show for our learners!

Thank you to the Tim Horton's Foundation for offering summer camp style, team building interactive lessons with Grade 4/5 and 6/7 classes over this past week!

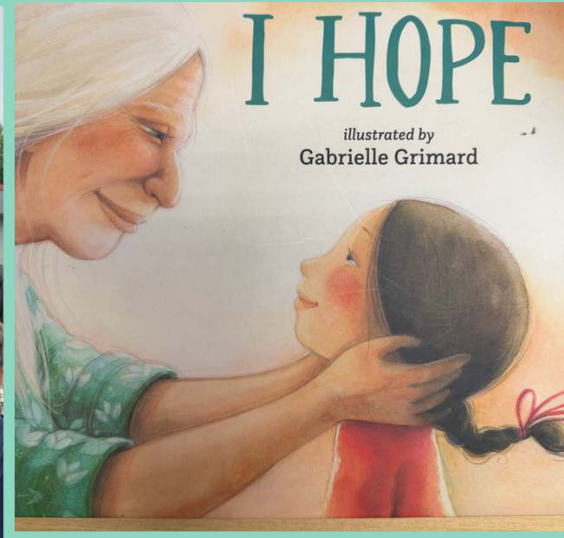

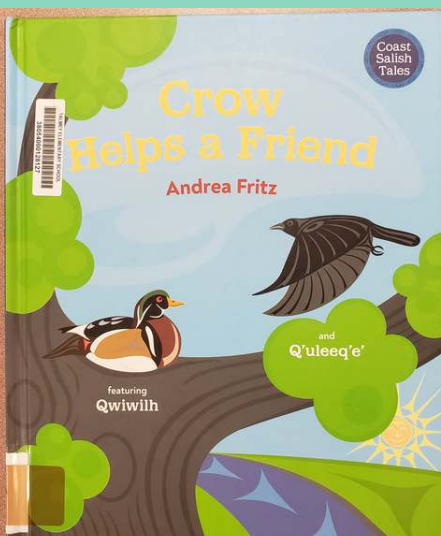

National Indigenous History Month

National Indigenous History Month in the Talmey Library

To recognize National Indigenous History Month, our librarian, Ms. Kos, shared a Coast Salish story with many of our primary classes. The story provided a meaningful opportunity to explore Indigenous perspectives and values while discussing responsibility, empathy, kindness, and caring for the natural world. Students reflected on how everyone makes mistakes and the importance of taking accountability and helping to make things right. The learning also connected to classroom studies of birds and habitats, extending students' understanding of the relationships between animals, people, and the environment.

All classes were also invited to participate in an outside story walk with Monique Gray Smith's book, *I Hope*. The story shares messages of kindness, belonging, courage, and hope. Through beautiful words and illustrations, the book encourages reflection, connection, and appreciation for Indigenous voices and perspectives. We are considering this text as part of our fall mural project.
