## NOTICE OF LATE RETURN 2023-2024

Please note that being absent at the start of the school year has the following ramifications for students:

1. Missed valuable instructional time, therefore missed valuable learning opportunities.
2. Missed valuable teacher and administrative explanations of expectations and routines for the course & school.
3. Missed valuable opportunities to make important social connections at the start of a school year.
4. **If a student is not returning on or before September 13, 2023, a school cannot reserve a spot guaranteeing the ability to be enrolled in the school. There may be a need for placement at another school upon the students' late return.**

In conclusion, the reason for a late return should only be for extremely extenuating circumstances.

## EARLY WARNING 604-668-6275 (OPTION 1)

If your child is unavoidably absent from class, please phone the Early Warning Line (604)-668-6275 and choose option 1.

The purpose of checking absent students is to ensure that no child is lost or experiencing problems between home and school. Failure to communicate with the school will mean that parent(s), guardian(s) or another designated responsible person will be contacted by telephone about the child's whereabouts.

**It is extremely important that ALL telephone numbers at home, work, cell, daycare or neighbor be kept up-to-date.**

**PLEASE CONTACT THE SCHOOL ADMINISTRATIVE ASSISTANT WHEN ANY OF YOUR ADDRESS, PHONE NUMBERS OR PERTINENT INFORMATION CHANGES.**
