What a  
great  
year!

Dear Talmey Families,

It's hard to believe the last day of the 2022-2023 school year is finally here!

We celebrated the end of school with our Recognition Assembly this morning! We recognized our incredible marathon runners, our leadership students, our lunch monitors, our office monitors, our Green Team, our library helpers and our S.T.A.R students!

We also recognized our PAC for their invaluable help and support. We are beyond grateful for their commitment to our school and we thank them for all their hard work this past year!

Thank you

We said our final farewell to our departing staff members and though we are sad to see them go, we wish them the best in their future adventures!

On Monday afternoon, our Grade 7 students celebrated their last few days of elementary school with a special farewell ceremony. It was a memorable and heartwarming event. We wish our class of 2023 the very best of luck as they look ahead to high school in September!

It has been a wonderful year of learning and we thank you for your partnership and support.

Please see attached for our Year At a Glance calendar for next school year along with information about the first week of school.

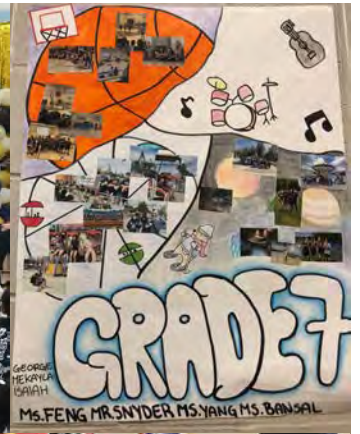

We wish you all the very best for a safe, happy and restful summer break. We look forward to seeing you back at school in September!

Ms. Hazon
