FROM OUR ADMIN TEAM

Dear Talmey Families,

It's hard to believe the last day of school for the 2023-2024 school year is finally here!

We wish our class of 2024 the very best of luck as they look ahead to high school in September!

We thank our PAC for their care and dedication and we thank our staff for their hard work and commitment. To our staff who are leaving us, we wish you all the very best!

We do want to take a moment to thank Ms. Zvi for stepping into the vice principal role this past January. We have appreciated all of her care and leadership. She will be leaving us for a principal position. We wish her the best of luck!

We are looking forward to welcoming Ms. Levitt as our new vice principal in September. She has an extensive background in education, including international experience. We are excited for her to join the Talmey community!

We thank Mr. Dixon for his leadership and care over this past year as well.

It has been a wonderful year of learning and we thank you for your partnership and support.

We wish you all the very best for a safe, happy and restful summer break. We look forward to seeing you back at school in September!

Warmly,

Ms. Hazon

WHAT'S HAPPENING AT TALMEY

Exporting Student Portfolios

The Scholantis platform is being decommissioned this summer and will not be in use next year.

Any students who have content within their e-portfolio or class sites must take action to export this information, if they want to retain a copy of their portfolio posts. This is to be done on their home computer.

An instruction sheet has been created along with a video to help support you with this process.

Instructions on 'How to Export a Portfolio on Scholantis' and a video explaining 'How to Export a Portfolio on Scholantis' are on our website:

<https://talmey.sd38.bc.ca/news/2024/06/exporting-student-portfolios>

We will provide continued access to portfolios for all students **until July 31st**. After this date, the Scholantis platform will be decommissioned, and will no longer be accessible by staff and students.
