FUNDRAISING

## SUPPORT OUR FUNDRAISER!

Talmey

Talmey Elementary PAC is hosting a label fundraiser! We have paired up with two online companies to offer personalized, durable and waterproof labels that are great for tagging everything from clothing to water bottles, backpacks and even shoes. These labels are dishwasher safe, able to go in the laundry and can be put into the freezer or microwave. There are also options for medical alert issues to personalize if your child has an allergy to certain foods. If you're tired of kiddos losing their sweaters and gloves and don't want to waste another minute searching through the school's lost and found then this fundraiser is for you!!

On all orders, Talmey Elementary will receive a 20% commission. This means while you're saving money by not needing to replace lost items, you are also helping the school make money that gives all students the opportunity to have amazing experiences like going on field trips and watching performances in the school.

The vendors we are using and links to the Talmey fundraisers are Oliver's Labels [www.oliverslabels.com/talmey](http://www.oliverslabels.com/talmey) and Mabel's Labels <https://mabelslabels.ca/fundraising/support> Please type 'Talmey PAC' into the search bar. From there you can search the websites and see if there are any products that would work for you and your family.

If you have any questions or would like information about volunteering in the school, please contact us at [TalmeyPAC@gmail.com](mailto:TalmeyPAC@gmail.com).

Talmey PAC thanks you for your support of this fundraiser!
