

# The Talmey PAC is excited announce our upcoming Bottle and Can Drive!

We're asking all students and families to save their empty bottles and cans for a great cause. By holding onto these items, you'll be helping our school raise funds for upcoming projects, events and initiatives.

## Wednesday, January 22nd.

Please drop off your bottles for the bottle drive in the collection bins near the parking lot between **8:30 AM and 3:30 PM.**

♡ Thank you to our friends, The Bottle Guys, for the contined support ♡
