What's Happening in OCTOBER

Parent/Teacher Conferences - Learning Update #1

Thursday, October 23rd - Early Dismissal at 11:50 am

Teachers will schedule meetings with parents for our first learning update/conferences on October 23rd. Such conferences are one part of the communication process that is in place to support our students. Parents can contact the classroom teachers by using the student's agenda or by emailing the office or teachers.

Each teacher is sending home their personal conference schedule.

FOUNDATION SKILLS ASSESSMENT

Each year students in Grades 4 and 7 participate in the Foundation Skills Assessment. The assessment consists of a written and online component. Students are assessed in literacy and numeracy. The assessment provides a snapshot of student learning currently, and provides the school with information about strengths and stretches in these areas. The assessment results are not used to determine written update comments but do provide families with another opportunity to see how their child is doing. The best source of information, however, continues to be your child's classroom teacher.

Volleyball at Talmey

Volleyball has started for interested students in Grade 6 and Grade 7. Volleyball practices are scheduled during lunch. A game schedule is currently being developed. Thank you to Mr. Snyder and Ms. Feng for supporting our keen players!

Halloween Dress-up Choice

FRIDAY, OCTOBER 31

On October 31st students and staff will be joining in the spirit of the day by dressing in costumes or in black and orange.

Please remember that students are not to dress in costumes that present a safety issue for themselves or others or have any replica toy weapons as part of their costumes.

Students will still be expected to go out for recess to get some fresh air and exercise, so they should be able to move freely and play in their costumes.

REMINDER

Please leave masks and weapons that may go with your costumes at home. Masks can be scary, and difficult to see out of and weapons are never allowed to be brought to school, even plastic ones.

As always, we want dress up to be fun for ALL. When choosing costumes, we ask you to keep a few things in mind. Please see the list below and note that the following are NOT Costumes:

- RACEcoloured face
- CULTUREIndigenous regalia/dreadlocks
- RELIGIOUS FAITHreligious figures /gods /saints
- GENDERgender switching for humour or to mock

STUDENT AND FAMILY AFFORDABILITY FUND

The Student and Family Affordability fund is designed to assist families who require financial assistance with school-related costs such as school and course fees, workbooks, specialty supplies, field trips and other school-related charges and costs. The additional funding will also be used to support school meal programs and other nutritional supports for students.

We request that families reach out to Ms. Hazon if you need assistance with school supplies, fees or other school-related costs.

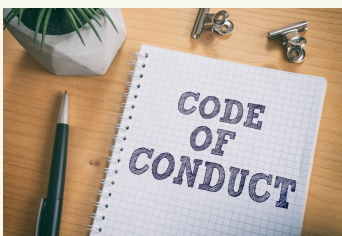

As always, all requests will be treated with dignity and your privacy will be respected. We want to work with our families to ensure that our students, your children, have everything they need to be successful at school.

Please do not hesitate to reach out if we can help.

Playground and Outside Supervision After School

A reminder to families, if your child is staying after school to enjoy time at our playground, there is an expectation that they are following our expectations for safe and respectful behaviour. Please review these expectations with your child/children and when possible, please stay to supervise your children after school.

While we recognize that, "The Richmond School District is the best place to learn and lead," we also aim to be TALMEY STARS:

City of Richmond – 2025/26 Grade 5 Active Pass

The Grade 5 Active Pass is now available to all Richmond students registered in Grade 5. Each Pass includes free admission until June 30, 2026, to various drop-in programs at local community centres. Details about how to register are [available at this link](#).

KINDERGARTEN REGISTRATION

We are excited to welcome kindergarten registration applications for children born in 2021, turning 5 in 2026. These children will begin kindergarten in September 2026. Online registration begins November 1, 2025.

Families are encouraged to register any time during the priority 1 registration period (November – January) for the best chance at attending their catchment school. All registration applications completed any time during the priority 1 registration period will receive placement decisions via emails from the school by February 6, 2026.

As per district policy, a student will normally attend the school located in their catchment area in which their parents or legal guardians reside unless there is no physical, resource or program space available. This provision may need to be applied more frequently, potentially resulting in more students needing placement outside their catchment school.

If your child is unwell, please ensure they remain at home until their symptoms have resolved.

If your child will be absent for several days, kindly notify the school with the expected dates.

Please leave a voicemail message at 604-668-6275 or email talmey@sd38.bc.ca

Leave your child's full name (first and last), Division #, teacher's name, the date, and reason for the absence.

Dress for the weather

It is important that students are dressed for the weather. As we begin to experience colder damp days, students need to have a proper jacket, footwear, a hat and gloves.

If they dress appropriately for the weather, they can enjoy playing outside as at Talmey, we consider all days suitable for outside play.

Sweater Weather

We discuss and define online sexual exploitation in an age appropriate way and cover topics such as digital footprints & permanency, red flags of luring and grooming, sextortion, intimate image sharing, and safety tips. Workshops meet key learning outcomes as set by the BC Ministry of Education and can be catered to address specific needs.
