FROM OUR LEADERSHIP TEAM

Dear Talmey Families,

This past Monday, our school community came together for our Remembrance Day assembly. We had a variety of student performances and presentations. We thank our staff and students for their thoughtful and meaningful contributions. Thank you also to those families who were able to join us for this important event. Please see below for a few photo highlights. Classes created poppy art as part of two wreath displays & Ms. Feng's class folded 1000 paper cranes to symbolize hope and healing.

All students received a poppy last week. A reminder that our poppy campaign will be open until the end of the week. If you would like to donate, please do so through School Cash Online.

Thank you.

Ms. Hazon & Ms. Jess

WHAT'S HAPPENING

Volleyball at Talmey

Volleyball practices and games are well underway for our Grade 6s & Grade 7s. Thank you to Mr. Snyder & Ms. Feng for supporting our keen players! Students played a game this past Wednesday at Anderson school. They represented Talmey with energy and enthusiasm. We are looking forward to our final few games coming up in the next two weeks & the MacNeill Jamboree for Grade 7s on November 19th!

- November 19 at @MacNeill Tournament Grade 7
- November 25th Talmey@Tomsett

Talmey Elementary will welcome instructors from “The Young Actors Project” into all classes in early January. Our students have shared that they would like more opportunities to practice their public speaking, and we know Drama can build the self-confidence and bravery that is needed to stand up and speak in front of others. A big thank you to our PAC for sponsoring this kind of fun, risk-taking activity!

CITY OF RICHMOND – 2025/26 GRADE 5 ACTIVE PASS

The Grade 5 Active Pass is now available to all Richmond students registered in Grade 5. Each Pass includes free admission until June 30, 2026, to various drop-in programs at local community centres.

Details about how to register are [available at this link](#).

DISTRICT NEWS

We are excited to welcome kindergarten registration applications for children born in 2021, turning 5 in 2026. These children will begin kindergarten in September 2026. Online registration begins November 1, 2025.

Families are encouraged to register any time during the priority 1 registration period (November – January) for the best chance at attending their catchment school. All registration applications completed any time during the priority 1 registration period will receive placement decisions via emails from the school by February 6, 2026.

As per district policy, a student will normally attend the school located in their catchment area in which their parents or legal guardians reside unless there is no physical, resource or program space available. This provision may need to be applied more frequently, potentially resulting in more students needing placement outside their catchment school.

Dress for the weather

It is important that students are dressed for the weather. As we begin to experience colder damp days, students need to have a proper jacket, footwear, a hat and gloves.

If they dress appropriately for the weather, they can enjoy playing outside as at Talmey, we consider all days suitable for outside play.

If it should snow, students should have extra clothing and boots or a dry pair of socks and shoes to change into if they want to play in the snow at recess and lunch.

SNOW DAYS - WHAT TO EXPECT

Snow days cause inconvenience for all of us. Closing schools is a difficult decision for the school district – trying to weigh the safety of all with the repercussions for working families. To help assist families, we would like to outline what you can expect from us on a snow day. The following things will happen:

Schools will be **OPEN** unless conditions reach civic emergency proportions.
Radio announcements will only announce those schools that are **CLOSED**.

As well, you can get information other ways:

- the district's website
- elementary school websites will also have a message if there is a closure

Please do not phone the school. The office will be too busy planning the day and may not be able to answer the phone.

- It may not be a regular school day as many students and teachers may be absent. If children do come to school, we will ensure that the children are cared for and are safe. Many alternate activities may be planned so that students who are absent will not miss any work.

You have some choices:

1. Students are not required to attend school on a snow day if you feel that their safety or your own safety may be at risk (you may keep them home).
2. Make plans in advance for what you and your family will do on a snow day.
3. Children who come to school may be taking part in alternate activities.

Allergy Alert

All families should be aware that Talmey has students with severe, life-threatening food allergies. Some classrooms may be designated nut free to protect the health of these students. Please help us limit the nut products entering our school overall, as the impact on a student can happen anywhere in the school. If possible, please do not send food to school containing nuts.

School Visitors

In the interest of safety, everyone entering the school must check in at the office. Classrooms are busy learning places, and we try not to interrupt them during instructional time. If you need to see your child and/or leave them a message, our office staff will happily take care of that for you. As well, it is difficult at the end or beginning of the school day for our office staff to have in-depth discussions with parents. Making appointments either by phone or email is preferable.

Thank you for your support!

LOST & FOUND

Lost and Found

There are quite a few clothing items and lunch boxes, etc. in our Lost and Found. This has been displayed on a table in the front entrance. Please take some time to check this area for any items your child may have lost.

Daily Health Check

Should I go to school today?

We appreciate your support in keeping your child home when they are not feeling well.

If your child will be absent for several days, kindly notify the school with the expected dates.

Please leave a voicemail message at 604-668-6275 or email talmey@sd38.bc.ca

Leave your child's full name (first and last), Division #, teacher's name, the date, and reason for the absence.
