COMING UP IN 2026

THE YOUNG ACTORS PROJECT

Talmei Elementary will welcome instructors from “The Young Actors Project” into all classes in early January. Our students have shared that they would like more opportunities to practice their public speaking, and we know Drama can build the self-confidence and bravery that is needed to stand up and speak in front of others. A big thank you to our PAC for sponsoring this kind of fun, risk-taking activity!

SKATING FIELD TRIPS FOR ALL CLASSES IN FEBRUARY

We are thrilled to be going to the Minoru Ice Arena for skating sessions! The school will be divided into four groups. The sessions are 10:45-11:45 AM on Feb. 03, Feb 11, Feb 18 and Feb 24. We thank our PAC for their generosity in funding this special event. More information will be available in January. KINDERGARTEN REGISTRATION

We are excited to welcome kindergarten registration applications for children born in 2021, turning 5 in 2026. These children will begin kindergarten in September 2026. Online registration begins November 1, 2025.

Families are encouraged to register any time during the priority 1 registration period (November – January) for the best chance at attending their catchment school. All registration applications completed any time during the priority 1 registration period will receive placement decisions via emails from the school by February 6, 2026.

As per district policy, a student will normally attend the school located in their catchment area in which their parents or legal guardians reside unless there is no physical, resource or program space available. This provision may need to be applied more frequently, potentially resulting in more students needing placement outside their catchment school.

REMINDERS

LOST & FOUND

We have had quite a variety of 'lost' items gather in our lost and found over this past term. All items are now on display and will continue to be on display over the next week (in the front foyer). Please come by to look at these items before winter break and claim anything that belongs to your child/children. All unclaimed items will be donated after Thursday, December 19th.

EXTENDED ABSENCES

DAY OFF

During the year students may be absent from school for an extended period of time. It is district policy that students may only be absent for 4 (four) consecutive weeks and retain their place in the school. After 4 weeks, students will be removed from the school register. Upon returning, students will have to re-register at the school board office.

If we have space, your child will be placed in a class, but not necessarily the class they left. It will take a few days for your child to be placed, so they cannot begin school on the day you return. If Talmey is full, the district will find space in the nearest available school. Teachers do not provide work for students on extended absences.

WINTER REMINDERS

COLD & FLU SEASON. It is that time again – flu and cold season. Please help us keep everyone healthy by reminding your child to wash their hands regularly. Using soap and warm water is a great way to clean hands. If your child is ill, please keep them home from school. Thank you.

DRESS FOR THE WEATHER. It is important that students are dressed for the weather. During these colder damp days, students need to have proper jackets, footwear, hats and gloves so they can enjoy playing outside. If it should snow, students should have extra clothing and boots or a dry pair of socks and shoes to change into if they want to play in the snow at recess and lunch.

On a snow day, our school will remain open if possible. No announcement will be made saying that schools will be open. Only closures will be announced via the SD38 Twitter account, school and district websites, and on the radio at CKNW AM 980, News AM 1130, CBC AM 690, Fairchild AM 1470, CHQM FM 103.5. Closures will be announced as early as possible.

VOLUNTEER INTERPRETERS NEEDED

The Richmond School District is seeking individuals who are fluent in English and other languages to join our Volunteer Interpreter Team.

Help strengthen communication between schools and families by providing language support during parent teacher conferences. Your involvement helps ensure every family feels welcomed and informed.

Training is provided.
All languages welcome.
