FROM OUR LEADERSHIP

Dear TalmeY Families,

This past Wednesday we had a special Family Teams event for Pink Shirt Day. Students reflected on the meaning of the day and what it means to be involved in a community of kindness. Our Family Teams activity focused on how each of us contributes to creating a kind community. Students played friendship games (Same as Me & My Friend Can), read the story Stone Soup and completed a collaborative art project. Each group created Friendship Fruit Salads-sharing words & phrases highlighting ways they can contribute to creating a kind community (see below for a few photo highlights).

We thank our parents and caregivers for attending our recent learning update/conference meetings. If you have any follow up questions or if you were unable to attend, please reach out to your child's teacher. A reminder that Term 2 Learning Updates (report cards) will be coming home digitally in April.

We thank our PAC for funding all our skating field trips. We had our last session this past Tuesday.

A reminder, our PAC chocolate fundraiser is coming up soon. Please see the attached notice.

Also, a reminder that daylight savings occurs on March 9th and our last day of school before the break is Friday, March 13th.

Wishing you all a happy and restful weekend!

Ms. Hazon and Ms. Jess

REMINDERS

Extended Absences

During the year students may be absent from school for an extended period of time. It is district policy that students may only be absent for 4 (four) consecutive weeks and retain their place in the school. After 4 weeks, students will be removed from the school register. Upon returning, students will have to re-register at the school board office.

If we have space, your child will be placed in a class, but not necessarily the class they left. It will take a few days for your child to be placed, so they cannot begin school on the day you return. If Talmey is full, the district will find space in the nearest available school. Teachers do not provide work for students on extended absences.

Lost & Found

We have quite a variety of 'lost' items in our lost and found. Please come by to take a look at our lost and found before spring break. All unclaimed items will be donated after March 13th.

HOW TO PREVENT THE SPREAD OF GERMS IN SCHOOLS AS RECOMMENDED BY VANCOUVER COASTALHEALTH

Follow guidance on when to stay home from school

Children with fever, cough or a runny nose, diarrhea, or vomiting should stay home until they are well enough to participate in regular activities. If your child has diarrhea or vomiting, they can return to school when they no longer have any symptoms.

PARKING LOT SAFETY

The parking gets congested twice a day, and only for a few minutes in the morning and at 2:45pm. However, in consulting with **the RCMP they do remind us all not to double park or block access for cars as you may be dropping or picking up your children.** If there are no parking spaces available, please do not double park! Exit the parking lot and park along the side streets that allow for parking, while abiding by the No Stopping regulations in front of the school, which are being regularly enforced by By-Law Officers and the RCMP. Again, this is for the safety of all members of our learning community. Thank you for your support.
