FROM OUR LEADERSHIP TEAM

As June is on the horizon, we are beginning to get ready for several special events.

Last week we enjoyed welcoming our newest and littlest learners to Talmey. Our Welcome to Kindergarten event was a success! We thank our staff, student & parent volunteers for helping to create a special experience for our new families.

Track Attack practices are in their final week and students are preparing for our Zone Track Meet coming up on Tuesday, May 26th. We thank our dedicated planning team for their endless hours of organization: Ms. Feng, Mr. Snyder, our Grade 4-7 team and our office staff. We also extend a thank-you to our PAC for funding the bus transportation.

Next week our Kindergarten classes will be hosting their annual Busy Town event & our grade 7 students will have their Farewell breakfast, hosted by our PAC.

We are also in the process of planning for our Fun Day event coming up on Friday, June 5th. We are excited to share that our theme this year is 'Carnival'! Please see the attached flyer for more information.

Our parent community is invited to stop by the main entrance of our school on Friday, June 5th, before school starts for our Parent Appreciation event. Please see the attached invitation. We wish you all a lovely weekend!

Ms. Hazon and Ms. Jess

TRACK ATTACK PRACTICES!

Our Grade 4-7 students have been busy participating in Track Attack in preparation for our upcoming Zone meet.

Please help your child (Grades 4-7) be prepared for our Track Attack stations. Students practice every Tuesday and Thursday afternoon. A reminder to have a water bottle, running shoes and athletic clothing ready for running, jumping and throwing events!

Students in Grades 4-7 are excited to attend our **Zone Track Meet on May 26th** and have been practicing for different events.

We thank Ms. Feng and Mr. Snyder for helping to organize our in-school training program and planing for our meet!

TRACK & FIELD MEET GR. 4 TO GR. 7 STUDENTS

The date of our school's Track and Field Meet is **Tuesday, May 26th**. The meet is hosted at **Minoru Park (7191 Granville Ave)** and will include other Richmond Elementary Schools.

All schools will be participating in a revised Track and Field meet format this year. This format will provide opportunities for more students to be involved, and students will be able to participate in all events (not just one or two events as in past years). Students will be organized into grade groups and will rotate through four stations supervised by a staff member: jumping, throwing, running and a rest station.

Jumping	Throwing	Running
<ul style="list-style-type: none">• Long jump (Gr. 4-7)• High jump (Gr. 4-7)• Additional jumping options	<ul style="list-style-type: none">• Softball throw (Gr. 4-7)• Shot put (Gr. 4-7)• Discus (Gr. 4-7)• Frisbee throw (Gr. 4-7) &/or• Football throw (Gr. 4-7) With age-appropriate equipment	<ul style="list-style-type: none">• Long Distance:<ul style="list-style-type: none">• 400m (Gr.4/5s)• 800m (Gr. 6/7s)• Relays: 4x100 (Gr. 4-7)• Sprints:100m (Gr. 4-7)

CHALLENGE BY CHOICE:

At each station, students can participate in multiple events and can choose if they want to participate in a competitive or recreational group. Open competitive is for students wishing to achieve personal bests and/or reach a performance benchmark, whereas open recreational is more focused on fun, skill development and trying an event with low pressure. Consistent with other Elementary activities, the focus is on individual active participation. Families are encouraged to celebrate their child's effort and participation, regardless of the result or outcome.

CLASS PLACEMENT 2026-2027

We are thinking about next year. In May, we invite parents to let us know any special information about their children that will help us to determine the best class placement for next year. Please read the information below:

CLASS ORGANIZATION AND STUDENT PLACEMENT 2026-2027

In June TalmeY Staff spends considerable time discussing possible classroom placements for students for the next school year. Although we do not finalize classes until the first week in September, we do some preliminary thinking in June. There are many factors that are important considerations in these discussions:

A. Student considerations such as:

- learning styles and strengths
- degree of independence in work habits
- social and personal characteristics
- previous year's placement
- parent knowledge of their child
- when they have been the youngest or the oldest in a combined classroom.

Please note:

Over their 8 years in elementary, a student should experience a variety of settings if possible.

B. Parent Input

If you have information based on the factors listed above that you would like us to consider when placing your child in a class for next year, please take this opportunity to submit this information to Ms. N Hazon in writing (email or letter) by **Friday, May 29th at 4:00 p.m.** It will not be possible to consider information or requests submitted by parents in September once classes have been established. Please do not request specific teachers - at this time we do not know which teachers will be teaching certain grades next year.

PLEASE NOTE:

WE DO OUR BEST TO FORM THE BEST LEARNING ENVIRONMENTS FOR ALL STUDENTS.

*Parent/Caregiver requests are considered but not guaranteed.

Although we do have preliminary discussions, the class organization is subject to change in the first week in September depending on the enrollment numbers confirmed during the first week of school.
